## **New England Water Works Association Education Committee 2025 Annual Report**

### Committee Mission:

To participate actively in establishing and advancing the education goals of the association relating to water utility operations and support personnel and to provide guidance in the development of training and technology transfer. To set long-rang goals relative to seminar, distant learning and DVD/video needs.

### Accomplishments/Activities and New Initiatives During the Past Year (Sept. 2024-today):

- Identification of both current and future training needs for the organization and its membership
- Review of the former NEWWA Distribution and Treatment Certificate Programs

### Plans for 2026:

- Continue to provide support and feedback to NEWWA staff related to the creation and start-up of brand-new courses.
- Review, input and assistance in the committee recommended creation of a course for a new supervisor and or new primary operator.
- Review and hopeful restart of the NEWWA Distribution and Treatment Certificate Programs

### 2025 Committee Meeting Dates/Locations

- 02/07/2025 Remote

### Committee Member Roster:

- Don Bunker, NEWWA
- Yvette Jaquez, Providence Water Supply Board
- Valerie Moran, MWRA
- Brad Perron, Salem-Beverly Water Supply Board, Vice Chair
- Jesse Riedle, Town of Bellingham
- Vincent Roy, Sudbury Water District
