

**New England Water Works Association
Operator Involvement Committee
2025 Annual Report
August 31, 2025**

Committee Mission:

To broaden and strengthen the involvement of operators within the Association by developing and creating networking, professional development, and opportunities within the drinking water community.

Committee Meetings:

- The committee had several virtual meetings to organize the salt water fishing derby, fresh water fishing derby, and create the framework for an Operator Exchange Program.

Accomplishments/Activities and New Initiatives During the Past Year (2024-2025):

Salt Water Fishing Derby: June 2025
Fresh Water Fishing Derby: June 2025
Developed frame work for NEWWA Operator Exchange Program

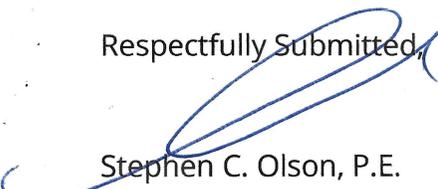

Future Plans:

Coordinate fishing derbies for 2026 and finalize the framework and standard operating procedures for the NEWWA Operator Exchange Program.

Committee Members:

Matthew Stosse, Chris Champi, Brian Duplessis, Joe Duncan, Roger Paradis, Todd Bunzick, Benjamin Patten, Aaron Miller.

Respectfully Submitted,

Stephen C. Olson, P.E.
Past President, NEWWA, Inc.
