## **New England Water Works Association 2025 Facilities Committee Report**

### Committee Mission:

To plan and oversee improvements to the Association's facilities, develop and oversee the long-term preventative maintenance of such facilities, and advise the Board of Directors on appropriate funding requirements for such.

### Accomplishments/Activities and New Initiatives During the Past Year (Sept. 2024-August 2025):

The Facilities Committee initiated and oversaw the following recommended projects as was previously approved by the Board of Directors,

- Various annual maintenance activities
- Replaced carpet in office and VCT in hallway and outside offices.

### Plans for 2026:

- Purchase of Van for staff to use for training and conference travel
- Continued regular maintenance schedule for daily building needs.

### Other Committee Related Efforts/Notes:

- Continue to work on projects to maintain and improve NEWWA's World Class Training Facilities

### Succession Planning - Incoming Leaders & Anticipated Appointment Date:

- Looking to bring on new members to the facilities committee.

### Committee Member Roster:

- Douglas Martin (Town of Franklin – Chair)
- Bernard Rousseau (Retired Pennichuck Water Works – Vice Chair)
- David Condrey (Milford Water Company)
